Meet at West End of Fairhope Civic Center **no later than 9:45** and we will walk to 457 Oak Ave. (It's about a half-mile.) For those who cannot walk, you can take your car to the Castles to be there by 9:55.

A lunch reservation at Cactus Cantina is available for those who want to have lunch on your own with the group after the tour. It is across from the FH Civic Center, so we will walk there as well. Please let us know if you plan to do lunch.

The Fairhope Museum has been recommended by Pagan Mosher, owner of one of the Castles, as it has additional information about them. It is free for those who would like to go there after lunch.
